# INAM UL HAQ BABA

Sopore, Baramulla, Jammu & Kashmir, India
peerzadainamwork@gmail.com | +91-7006198244 |linkedin.com/in/inam-ul-haq-babawork | github.com/Inam-Ul-Haq-Baba

## PROFESSIONAL SUMMARY

MCA graduate with a strong foundation in programming, object-oriented programming, data structures, and software development fundamentals. Hands-on experience building web applications and backend APIs using JavaScript, Node.js, and Express.js, with knowledge of Java, C, and C++. Experienced with Git/GitHub, REST APIs, databases, debugging, and developing reusable software components. Seeking a Full Stack Developer role / Internship to apply problem-solving and programming skills while contributing to real-world software systems.

## TECHNICAL SKILLS

**Programming Languages:** Java, C++, JavaScript
**Core Concepts:** Data Structures, Object-Oriented Programming, Problem Solving, Software Development Fundamentals.
**Backend Development:** Node.js, Express.js, RESTful APIs
**Databases:** MySQL, PostgreSQL, MongoDB
**Frontend Development:** React.js, HTML, CSS, Tailwind CSS, jQuery
**Tools & Platforms:** Git, GitHub, Docker

## PROJECTS

**G-News — React News Application** | Independent Project

- Developed a responsive news application using React.js, integrating the News API for live content delivery.
- Implemented category-based filtering and dynamic search functionality using React Hooks.
- Designed a mobile-first, responsive UI using Tailwind CSS.

**Blogsy — Blog Web Application** | Independent Project

- Built a responsive blogging platform using HTML, Tailwind CSS, JavaScript, Node.js, Express.js, EJS, and PostgreSQL.
- Implemented blog post CRUD operations, category filtering, and user authentication with bcrypt password hashing.
- Integrated Quill for rich-text editing and reusable EJS components for dynamic page rendering.
- Live: https://blogsy-swhh.onrender.com

**JustType — Typing Practice Web Application** | Independent Project

- Developed a responsive typing practice application using **HTML, Tailwind CSS, JavaScript, and jQuery**, supporting 1-, 3-, and 5-minute typing tests.
- Implemented real-time character validation, WPM, accuracy tracking, error detection, timers, and audio feedback.
- Live: https://inam-ul-haq-baba.github.io/JustType/

**Smart Lawn Maintenance — Android Weed Detection App** | Team Project

- Developed an Android weed detection app using the YOLOv9-S deep learning model.
- Evaluated YOLOv9 variants on the Weed25 dataset, achieving 91.7% mAP@50 with YOLOv9-S.
- Integrated a REST API for image uploads and model inference.

## RESEARCH

**A Comparative Evaluation of YOLOv9 Variants for Automated Lawn Weed Detection** | Ongoing Research

- Conducted a comparative analysis of YOLOv9 variants for automated lawn weed detection, evaluating model accuracy, precision, recall, and mAP, with a focus on Android deployment feasibility.

## EDUCATION

**Master of Computer Applications (MCA)**
University of Kashmir | CGPA: 7.77
2024 - 2026

**Bachelor of Computer Applications (BCA)**
University of Kashmir | CGPA: 6.53
2021 - 2024

## CERTIFICATIONS

**Full-Stack Web Development** | Udemy

- Covered HTML, CSS, JavaScript, Bootstrap, jQuery, Node.js, Express.js, EJS, SQL, REST APIs, React.js, Git, and GitHub, with a focus on responsive web application development.

## LANGUAGES & ACTIVITIES

English, Urdu, Kashmiri, Hindi.

- Represented Jammu & Kashmir at the 54th Senior National Kho-Kho Championship (Kho-Kho Federation of India);
